Park Directive No. 3050

FISHING

Persons desiring to fish in the waters of any State Park or Recreational Area must secure a fishing license, as required by laws of the State of Arkansas unless by reason of age a license is not required.

Fishing must conform to laws such as open season, size and limit of catch.

Copies of Arkansas Game and Fish Regulations can be and should be obtained at the Game and Fish Building in Little Rock, Arkansas.

Effective until superceded
